

# THE HANDLING OF HYBRID THREATS

## PITCH SESSION

## Beyond the Horizon ISSG

*Belgium / Brussels*

*A think tank on defense and security related issues*

*We are inter alia focused on*

***Countering Hybrid / Modern Threats***

***Preventing and countering radicalization and violent extremism***

***Cyber security***

***Migration and security nexus***

**Experience: ESF Project : All in One for HERs**

**(a project to integrate highly educated refugees into labour market in Flanders)**

## Beyond the Horizon ISSG

*Belgium / Brussels*

- **Contact:**
  - *Fatih Yilmaz*
  - *Research Fellow & Director, Partnerships*
  - *fatih.yilmaz@behorizon.org*
  - *+32 2 801 1357*

*OUR TARGETED TOPIC*

SU-GM01-2019

Pan-European networks of practitioners and other actors in the field of security in two specific areas of specialisation:

- 1) the protection of public figures;
- 2) the handling of hybrid threats"**

- *1 Reliable partners with experience in the field*
- *2 Extending network*
- *3 Exchanging and sharing experience, know-how*

- ***Project idea:*** Increased awareness, enhanced interoperability and sustainable inter-institutional cooperation between public and private sector addressing hybrid threats
- ***List of the complementary skills we need for our consortium***
  - Research capacity on hybrid warfare
  - Field experience in countering hybrid threats and risks
  - Cyberspace expertise
  - IT expertise mostly related to security issues
  - Transnational working capability and capacity
  - Monitoring capacity of emerging hybrid threats against Europe
  - International and national security studies expertise
  - Expertise on Security Sector Reform
  - Expertise on defense planning and management
  - Expertise on human and public safety and security

## *What We Offer*

- We have a large pool of experts with credible academic credentials and extensive experience in the field of defense and security*
- We are also situated in the core of Europe, Brussels where decision making is made on hybrid related matters.*
- We have the ability to make qualitative and quantitative research.*
- We have fresh ideas on how to counter hybrid threats.*
- We have also partnerships and representatives across the globe to include US and Canada.*
