Competencies

- *Organisation competencies*

Data and Configuration Management, from initial discussions to negotiate, capitalize, decide, document, validate with the UniText concept.

Organisation experience in the European project

Coordination of many stakeholders, with organizational and technical complexity, with safety concerns.

- *The skills you can bring*

UniText web based tool with built in traceability to discuss, negotiate, capitalize, decide, **document**, validate & rework.

The UniText web based content can be a tool inside the European project, and also the **final deliverable**.
