La participation fr aux CSA

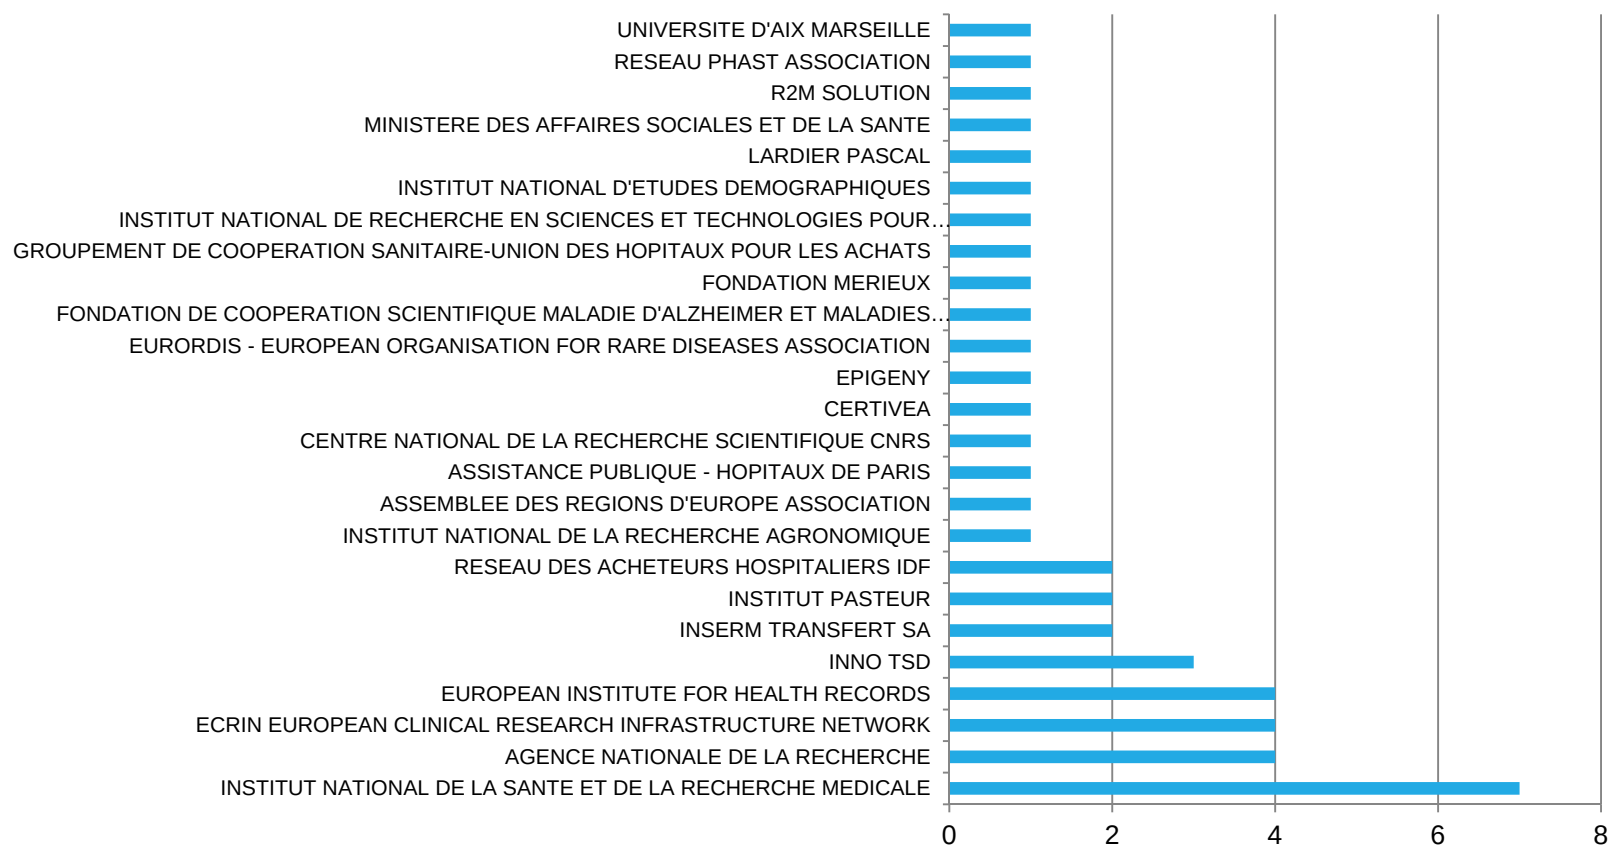

eStandards	eHealth Standards and Profiles in Action for Europe and Beyond
EULAC-PerMed	Widening EU-CELAC policy and research cooperation in Personalised Medicine
EURIPHI	EUROpean wide Innovative Procurement of Health Innovation
EURO-CAS	EU eHealth Interoperability Conformity Assessment Scheme
EuroStemCell	European Consortium for Communicating Stem Cell Research
EXEDRA	EXpansion of the European Joint Programming Initiative of
GCOF	A stepping stone approach towards the Genetics Clinic of
GIOPID-R-Sec	Global Research Collaboration for Infectious Disease Prep
HERA	Integrating Environment and Health Research: a Vision for
HNN 2.0	Improving and professionalizing the Health NCP service ac
Homes4Life	Certified smart and integrated living environments for age
ICPerMed Secretariat	Secretariat for the International Consortium for Personalis
IDIH	International Digital Health Cooperation for Preventive, In
J-Age II	Coordination Action for implementation and alignment ac
JPsustaiND	CA in support of the sustainability and globalisation of the
PROEIPAHA	PROEIPAHA: Coordination, Support and Promotion activiti
SEED	Supporting the Recognition of the Silver Economy in Europ
SENET	Strengthening international R&I cooperation
SoNAR-Global	A Global Social Sciences Network for Infectious Threats an
SPIDIA4P	SPIDIA for Personalized Medicine - Standardisation of generic Pre-analytical procedures for In-vitro DIAGnosti
SYNCHROS	SYNergies for Cohorts in Health: integrating the ROLE of all Stakeholders
TO-REACH	Transfer of Organisational innovations for Resilient, Effective, equitable, Accessible, sustainable and Comprel
Trillium II	Trillium Bridge Two - Reinforcing the Bridges and Scaling up EU/US Cooperation on Patient Summery
VALUeHEALTH	Establishing the value and business model for sustainable eHealth services in Europe - VALUeHEALTH

52 CSA financés depuis le début de H2020

29 CSA impliquent des partenaires Fr

5 CSA coordonnées par la Fr

La participation fr aux CSA: nbre de participation

Le devenir des CSA: exemple

Call HCO-12-2018:

EURIPHI: european wide innovative procurement of health innovation

BHC-20A-2020: Pre-commercial procurement (PCP) for integrated care solutions

BHC-20B-2020: Public procurement of innovative solutions (PPI) for diagnostics for infectious diseases

Les CSA dans le dernier WP : pourquoi y participer?

WP 2020: 18 RIA 14 CSA: Pont vers Horizon Europe

HCO-01-2020: Actions in support of the International Consortium for Personalised Medicine

HCO-03-2020: Bridging the divide in health research and innovation – boosting return on investment

HCO-17-2020: **Coordinating and supporting research on the human microbiome in Europe and Beyond**

HCO-18-2020: **Developing methodological approaches for improved clinical investigation and evaluation of high-risk medical devices**

HCO-19-2020: Reliable and accessible information on cell and gene-based therapies

HCO-20-2020: Coordination of clinical research activities of the European Reference Network

HCC-06-2020: Coordination and support to better data and secure cross-border digital infrastructures building on European capacities for genomics and personalised medicine

HCC-07-2020: Support for European eHealth Interoperability roadmap for deployment

HCC-08-2020: Scaling up innovation for active and health aging

HCC-09-2020: Supporting deployment of eHealth in low and lower middle income countries in Africa for better health outcomes

HCO-10-2020: Towards a Health research and innovation Cloud: Capitalising on data sharing initiatives in health research
