Horizon 2020

The Milipol organisers, the Security Research NCP Network, and Enterprise Europe Network, are pleased to invite you to the Milipol Paris Horizon 2020 pitching session dedicated to the 2020 security topics.

This pitching session will take place on Thursday 21st November 2019 from 2:00pm to 3:00pm in the framework of the Milipol Paris event, in room “innovation & research stage”, start up zone.

At this session, supported by the European Commission, you will have the opportunity to share with the participants an overview of your products, services and competencies.

The Elevator Pitch session is a dynamic approach to knowledge exchange. It is actually a unique opportunity for project leaders, academics, start-ups, SMEs, innovative industries, and practitioners that have an innovative end-user oriented project idea to pitch their proposals and promote their ideas and/or competencies to potential Horizon 2020 project partners.

31 topics and sub-topics in the 2020 security calls for proposals are addressed (see the [list](#)). They cover areas such as:

- Prevention, detection, response and mitigation of combined physical and cyber threats to critical infrastructure
- Pre-normative research and demonstration for disaster-resilient societies
- Human factors, and social, societal, and organisational aspects
 - for disaster-resilient societies
 - to fight against illegal trafficking and terrorism
 - to improve border security
- Technologies
 - for first responders
 - to enhance the fight against crime and terrorism
 - to improve border security
- Information and data stream management to fight against (cyber)crime and terrorism
- Demonstration of applied solutions to enhance border and external security

Contributors at this session will have 3 minutes to encapsulate their central and latest thoughts on the topics. After all the presentations have been given, contributors will have time for discussion, fine-tuning ideas and sharing their knowledge and opinions with the aim of paving the way for future cooperation.

If you wish to pitch during this session, please download and complete the 3-minute pitch presentation ([link](#)). Then you need to complete the presentation and send it, by 15 November 2019, to the following email address: <mailto:Catherine.Varieras@cea.fr>.

Participation in the pitch session is free of charge. However, registration at Milipol is mandatory: <https://badge.milipol.com/en/home.htm>.

For your registration, after the verification of your phone number and email address, you will be asked for a code to activate your registration, please enter the code **H2020MP2019**.

Seats will be allocated on a first come, first serve basis due to the limited capacity of the meeting room.
