

Work Programme ICT-13a

1. What are you looking for?

- Fostering the European Data Economy by setting-up data platforms of industrial and/or personal nature facilitating data sharing and trade so to create new business opportunities.
- Set-up and operations
- Adoption of privacy preserving technologies
- Trusted and secure sharing
- Automated contracting
- Sustainable business models

Work Programme ICT-13a

2. What do you NOT want?

- Re-submitted ICT-14 project proposals from H2020-ICT 2016-2017 Work Programme
- No academic exercises

Work Programme ICT-13a – topic evolution

3. Is this new or has it been called before?

- Not a new topic, it follows the footprints of ICT-14 of the H2020-ICT 2016-2017 Work Programme (aka 'Innovation Space')
- The ICT Topic has transitioned towards a more focused approach in support of the establishment of secure, privacy preserving data trading platforms

Work Programme ICT-13a – topic evolution

4. Current project portfolio

<https://ec.europa.eu/digital-single-market/en/programme-and-projects/project-factsheets-data>
