Media and Content Convergence

RATIONAL AND CHALLENGE

- Strong Europe's media sector in creating content
- Key issue: adopt new technologies and invest in innovation
- EC wants to support the Media industry in becoming even more tech driven to compete with technological-strong global (often non-Media) players.

Challenge:

- make the best use of technology for reaching out to new audiences, develop new business models, adapt to the digital era and progress in the connected Digital Single Market.

a) INNOVATION ACTIONS (i)

- **New** solutions, services, technologies **around convergence** of media sectors, media sources and services.
- **Validated** via large scale demonstrations, pilots or close-to-market prototypes
- **On (non-exhaustive list):**
 - i. Social media
 - ii. Personalised user experience
 - iii. Content interaction in a multiplatform scenario
 - iv. Content accessibility

a) INNOVATION ACTIONS (ii)

- **Impact**

- New services around convergence of broadband, broadcast and social media
- Towards a fully personalised and interactive user experience
- Increase use of ICT technologies in the Media industry
- Clear barriers for the success of the Digital Single Market

b) COORDINATION AND SUPPORT ACTION (i)

- **Addressing:**

- Increase awareness and cooperation between policy and research on Convergence and Social Media

AND

- Support on Convergence and Social Media activities (dissemination of projects' results, analysis SRIAs, stakeholder coordination, ...)

b) COORDINATION AND SUPPORT ACTION (ii)

- **Impact**

To support a sustainable European fora of stakeholders representing the evolving Media environment.

The screenshot shows the 'RESEARCH & INNOVATION Participant Portal' of the European Commission. The header includes the European Commission logo and the text 'RESEARCH & INNOVATION Participant Portal'. Below the header is a navigation bar with links: HOME, FUNDING OPPORTUNITIES, HOW TO PARTICIPATE, EXPERTS, and SUPPORT. A search bar labeled 'Search PP' is also present. The main content area features a 'Frequently Asked Questions' section with a welcome message and a list of frequently asked questions. A search bar with '710 Results' is visible. On the left, there is a 'Filter by CATEGORY' section with checkboxes for: Participant Portal roles and access rights, Beneficiary registration and validation..., Funding opportunities, calls, and Proposals submission and... A dropdown menu is open under the 'SUPPORT' link, showing options: H2020 Online Manual, Horizon 2020 Helpdesk, Enterprise Europe Network, National Contact Points, Glossary, FAQ (highlighted), IT Helpdesk, Other Help Services, Terms and Conditions, What's New, and APIs. The FAQ section contains two questions and answers. The first question is 'How do I update the information in my Participant Identification Code?' and the answer states that before validation, the registration remains editable. The second question is 'I am the Legal Entity Appointed Representative (LEAR) of my organisation and I need to update the beneficiary register some days ago, but it seems that the update is not reflected.' and the answer states that the request is being processed by the Validation Service.
