Short profile of the Organisation: WeDo builds on 12+ years of experience managing international collaborative research and innovation projects. Addressing Europe's challenges requires the involvement of various stakeholders from a number of different disciplines. At WeDo, we are experienced on working on multicultural, diverse, spread and complex working teams. We understand difference as an innovation driver and take cultural diversity as a plus.

- We Do have experience in both private and public sectors, understanding their different needs, and working to facilitate successful collaboration.
- We Do recognise the different challenges a project may pose in each of its phases, and are ready to complement you with our knowledge and tools, going from project design to strategic planning for the valorisation of project results
- We Do know management may sometimes be overwhelming and are ready to help you make it easy
- We Do know that building strong competitive projects is complex and require a deeper knowledge of both the founder and the evaluators' requirements. We have experience on successful projects and can definitely support you.
