### 1) PROJECT INFORMATION

**Field of expertise related to the topic:** responsible research, research integrity, empirical studies on scientific misconduct, training evaluation

**Potential contribution to the project:** to collect data on the use of research integrity and its contrary, scientific misconduct (including FFP and QRP), from an individual and organizational standpoint; to assess training and help create evidence based good practice on prevention of scientific misconduct and promotion of integrity; to develop conceptual and theoretical frameworks to better understand preferences towards integrity or towards misconduct, to create typologies of misconduct and identify (individual and organizational) stressing factors leading to

misconduct; to better understand commissioned research and potential conflicts of interest with external funding bodies

**Role in the project:**

Research                       Dissemination                       Other  
 Training                               Technology Development

Project idea: for SwafS21 - an analysis of existing relationships between research and research institutions, on the one hand, and commissioners of research which build their practices from evidence based approaches in key-areas for social development

for SwafS 27: create and assess train the trainers initiatives on research integrity, at the european level

Project description: for SwafS21: creating diamics between policy makers and researchers, so that both parts better understand corresponding social roles, professional ehos, and organizational or external constrains

for SwafS27: development of training material and ex-post evaluation of trainees and trainers attitudes, behaviours, moral reasoning, and cost outputs; to promote consensus on central concepts, such as integrity, misconduct and types of misconduct (FFP and QRP)

Already experience as a Coordinator:  yes  no  
 As a Partner:  yes  no

If "yes", which project: COST Action CA15137

Other partners in consortium already identified (with countries):

## 2) TARGET COORDINATOR / PARTNER SOUGHT

**Organisation details:**

<input checked="" type="checkbox"/> Higher education / university	<input type="checkbox"/> Industry / SME
<input type="checkbox"/> Research institution	<input type="checkbox"/> Other
<input type="checkbox"/> NGO	Please specify:
<input type="checkbox"/> Education	

**We are looking for following Expertise / Competencies:**

## 3) CONTACT DETAILS

Contact Person:

Name: Rita Faria

Ms  Mr

Organisation: School of Criminology - Faculty of Law of the University of Porto

Address: Rua dos Bragas, 223

Postal code: 4050-123
