Area of interest	Choose Y or N
DS-07-2017 - RIA: Addressing Advanced Cyber Security Threats and Threat Actors A) Situational Awareness	N
DS-07-2017 - IA: Addressing Advanced Cyber Security Threats and Threat Actors B) Simulation Environments, Training	N
DS-08-2017 - IA - Privacy, Data Protection, Digital Identities - Privacy-enhancing Technologies (PET)	Y
DS-08-2017 - IA - Privacy, Data Protection, Digital Identities - General Data Protection Regulation in practice	N
DS-08-2017 - IA - Privacy, Data Protection, Digital Identities - Secure digital identities	N

Trusted communication

TheGreenBow

- Providing Cybersecurity solutions since 1998
- Leading provider of VPN client
- +1 200 000 licences worldwide
- SMEs, GOV, Administrations, Large accounts, OEM
- Labeled FCS, EAL 3+Certified
- Member of ECSO, Systematic, Hexatrust

VPN Client

- Certified EAL 3+, NATO restricted, EU restricted,
- Compatible with all Gateways
- Easy integration
- IPsec/SSL, IPv4/v6
- Multi-OS 

Email encryption

- CryptoMailer
- Real end-to-end encryption
- Works with any email system
- Multi-OS 
- Instant privacy
- Key Management Infrastructure (no PKI)

Competencies

- *Applied cryptography, Network traffic encryption (VPN), data encryption at large*
- *Vertical integration of data encryption.*
 - *Framework for Network traffic encryption*
 - *Framework and Infrastructure for peer-to-peer data encryption*
