On behalf of the C-Energy 2020 project I would like to invite you to an online brokerage webinar for the European Commission's Call for Proposals for Energy Efficiency projects (deadline 7<sup>th</sup> June 2017). A list of the Call topics can be found on page 2 of this invitation. **Please note that this Call for Proposals is for market uptake projects and not for research and demonstration projects.**

**The webinar will take place on Thursday 6<sup>th</sup> April from 14.00 to 15.30 Brussels time.**

This online brokerage webinar is an opportunity for organisations that are developing a proposal for this Call for Proposals to pitch their ideas and capabilities to find new partners. The purpose of the webinar is to:

- Present a brief overview of the Call topics (European Commission speaker tbc)
- Give organisations an opportunity to find partners through a 4 minute, 4 slide pitch (template will be provided)

There are 15 pitch slots available.

The registration form can be found at <https://www.surveymonkey.co.uk/r/C-energybrokerage>

If you are interested in delivering a pitch, please select the "pitch" option on the registration form. Pitches will be allocated to those with a proposal idea first and then to those seeking to present their organisation as a potential partner. Those wishing to attend to hear the pitches should select the "listen" option on the registration page.

The template for the pitch will be sent to those registering to deliver a pitch. It must be completed and submitted to the organiser by **17.00 Brussels time on Tuesday 4<sup>th</sup> April** at the latest.
