PARTNERS FOR YOUR
EUROPEAN PROJECTS**

EUROPEAN PARTNERSHIP DATABASE

WHY THIS TOOL?

To help you find targeted partners for your European project (Horizon 2020, Life, COSME, Interreg, Eurostars, etc.)

THE ADVANTAGES FOR YOU

1) IDENTIFY EXISTING CONSORTIA IF YOU HAVE SPECIFIC EXPERTISE OR TECHNOLOGY AND WANT TO BECOME A PARTNER IN A PROJECT

- > Make your R&D, technology, expertise visible at European level
- > Gain experience in European projects by participating as in a collaborative project

2) IDENTIFY TARGETED PARTNERS FOR THE CONCORDIUM YOU ARE COORDINATING

- > Save time in finding targeted profiles you need for your consortium to be compliant
- > In case of last-minute withdrawal of a partner – identify quickly and efficiently another stakeholder

H2020 MIGRATION-05-2018-2020 integration challenges for migrant children: seeking operative, institutional and R&D partners.

Summary

A partnership led by an Italian operator with a consolidated experience in the education and integration of migrants, and including a Greek operator, is preparing a proposal under the call H2020 MIGRATION-05-2018-2020 to analyze and develop policy recommendations for school integration policies in a multicultural society, tackling the issue of migrant pupils. Partners operating at institutional and operative level and R&D bodies, active in other key countries for the migration flows, are sought.
