# Leader in engineering consulting

**5000 employees – owned by employees**

**Building – Transport systems – Water supply and waste water**

- ***SMART CITIES:*** multicomponent smart sustainable cities for Europe:
  - buildings, transport systems, utilities
  - Promote local production, short supply chains, biodiversity, protection of water resources, etc.
- ***HEALTHCARE:*** ARTELIA is number 1 consulting company in the construction of healthcare facilities in France
- ***SECURITY:*** Our added value is to integrate security in our projects
  - Solutions that are compatible with the function of the project (!)
  - Solutions that are respectful of architecture and human environment
  - Consistency with other issues (resilience, fire, flooding)
  - Consistency with law-enforcing needs
