INVITATION TO TENDER

Subject: GSA/OP/07/15 PRISMA - "DEVELOPMENT OF LOW END OPERATIONAL PRS RECEIVERS INCLUDING SECURITY MODULES ARCHITECTURES"

Reference to contract notice in the Official Journal ID-2015/S 097-174760

Dear Sir/Madam,

1. The European GNSS Agency (hereinafter named as the GSA) is planning to award the public contract referred to above.
2. The objective of the Invitation to Tender is to establish multiple sourcing contracts (target is to sign four contracts in parallel) for the assessment of the path needed for the development of operational low-end Public Regulated Service (PRS) receivers including security modules and the performance of the first relevant steps in terms of requirement engineering, design and production preparation towards this objective. The expected outcomes are:
 - Full analysis of the challenges to be tackled, in particular regarding security, miniaturisation and industrialisation and compliance to user and integrator requirements
 - Identification of suitable technologies that can contribute to possible solutions to the challenges to be tackled, including innovative technologies to be explored in the future
 - Full set of consolidated requirements able to fulfil the low end operational needs validated by user communities and receiver integrators
 - A consolidated design of operational low-end receiver including security module
 - Blueprint of the two components (PRS receiver, PRS Security Module), mature enough to launch a full rate production after the completion of the contract
 - A consolidated and ready to be executed full rate production plan
 - Identification of opportunities for drafting of PRS standards

Attention is drawn on the specific conditions of participation to this call for tenders:

- In order to protect the essential interests of the security of the European Union and/or its Member States, it is considered necessary to limit the participation to this procurement as tenderers / contractors / subcontractors to legal entities established in one of the Member States of the European Union
- The economic operators will have to comply with the requirements of the PRS decision 1104/2011/EU. In particular, they shall have to be authorised by the Security Accreditation Board of the EU GNSS systems ('SAB') and their national Competent PRS Authority ('CPA').
- The activities under this contract require the handling and production of documents/assets classified up to SECRET UE. Contractor's staff shall comply with Commission Decision 2015/444/EC when handling classified data while performing their tasks.

3. Special attention of economic operators is drawn to the procedure for accessing the full tender documentation package as listed here:

6. **Submission of tenders must respect the deadline specified in the schedule above.**
7. Submission of a tender implies **acceptance of all the terms and conditions set out in this Invitation to Tender, in the tender specifications and in the draft contract** and, where appropriate, waiver of the tenderer's own general or specific terms and conditions. Submission of a tender is binding on the tenderer to whom the contract is awarded for the duration of the contract.

8. The period of validity of the tender, during which tenderers may not modify the terms of their tenders in any respect, is **nine (9) months** from the final date for submission.
9. Contacts between the GSA and tenderers are prohibited throughout the procedure save in exceptional circumstances and under the following conditions only:
 - a. Before the final date for submission of tenders:
 - At the request of the tenderer, the GSA may provide additional information solely for the purpose of clarifying the nature of the contract;
 - Any requests for additional information must be made in writing only to tenders@gsa.europa.eu. The subject line of the e-mail has to quote the reference of the procurement procedure: GSA/OP/07/15 'PRISMA';
 - Requests for additional information received after deadline specified in the above schedule will not be processed (*for practical reasons*);
 - The GSA may, on its own initiative, inform interested parties of any error, inaccuracy, omission or any other clerical error in the text of the call for tenders.
 - b. After the opening of tenders:
 - If, after the tenders have been opened, some clarification is required in connection with a tender, or if obvious clerical errors in the submitted tender must be corrected, the GSA may contact the tenderer, although such contact may not lead to any alteration of the terms of the submitted tender.
10. This Invitation to Tender is in no way binding on the GSA. The GSA's contractual obligation commences only upon signature of the contract with the successful tenderer. Up to the point of signature, the GSA may either abandon the procurement or cancel the award procedure, without the tenderers being entitled to claim any compensation.

Yours faithfully,

Carlo des Dorides
Executive Director
