

Journée TIC-Sécurité

Horizon 2020

**Session d'émergence de projets
et de présentation des compétences**

Paris, 10/02/2015

UIC - International Union of Railways

- **Address** : 16 rue Jean Rey – 75015 Paris
- **Contact** : Marie-Hélène BONNEAU (bonneau@uic.org)

UIC is a **non-profit international trade association** with **200 members** (Railways, Rail operators, Infrastructure managers, Railway service providers, Public transport companies)

The UIC's main tasks include:

- preparing standards, regulations and recommendations to facilitate international traffic,
- carrying out projects, particularly in the field of international passenger and freight transport, infrastructure management and research,
- promoting exchanges of information and experience, providing dissemination platforms and international training schemes,
- representing the rail transport mode, worldwide and concluding agreements with international organisations and cooperating with all organisations specialising in rail matters and transport issues.

Within UIC, **the UIC Security Platform** brings together the railway security experts, is in partnership with police forces and is structured with Steering Committee, working groups, annual session to take stock of work and decide on future direction

Expertise

UIC security division is looking to be involved in research projects dealing with rail security

- as end user to express needs of the whole rail sector**
- for dissemination of the results among its members**

Involvement in past or ongoing FP7 projects :

PROTECTRAIL, RESTRAIL, SECRET, CIPRNET, GRAFFOLUTION, PREDICT,
