| Area of interest	Choose Y or N
ICT-14: Big Data PPP: Cross-sectorial and cross-lingual data integration and experimentation **A) Data integration activities**	Y
ICT-14: Big Data PPP: Cross-sectorial and cross-lingual data integration and experimentation **B) Data experimentation incubators**	N
ICT-15-2016-2017: Big Data PPP: Large Scale Pilot actions in sectors best benefitting from data-driven innovation **Large Scale Pilot actions**	Y
ICT-16-2017: Big data PPP: research addressing main technology challenges of the data economy **cross-sector and cross-border problems or opportunities of clear industrial significance.**	Y
ICT-17-2016-2017: Big data PPP: Support, industrial skills, benchmarking and evaluation **Benchmarking action**	N
Others:	N

Competencies - 1

- *Organisation competencies*
  - *Analyze and visualization of Big Data coupled with geo-spatial data on thick and web client in 2D, 3D and 4D (time):*
    - *Component and API based => high flexibility and customization*
    - *System and data agnostic => can read and mix any data and can integrate legacy architecture*
    - *Performance and accuracy in analyze and visualization of large (millions) volumes of data*
    - *Display of terrain image, vector, elevation and un-referenced data in 2D, 3D while moving through time*
    - *15 years of service to military and ATC systems (NATO, EuroControl, European MODs, etc)*

- *Organisation experience in the European project*
  - *Partner in a H2020 RETINA (H2020 SESAR)*
  - *Several proposals submitted in SEC-2016*
  - *Technology provider for EuroControl SWIM MasterClass participants*
  - *Active member of the OGC*

- *The skills you can bring*
  - *Data Management in Geospatial domain*
  - *Data Broker solutions*
  - *Data publication services*
  - *Data Cataloguing*
  - *High performance Data Visualisations for desktop, web and mobile*
  - *API*

Competencies - 2

Project idea

- *Describe your project idea*
    - *Build the european multilingual data search engine with life privacy respect to improve Europe Data Lake and INSPIRE regulations.*

- *List of the complementary skills you need for your consortium*
    - *Linguist to manage multilingual aspect*
    - *AI expert for data description mandatory for Big Data.*

not mandatory slide
