Participant presentation session

Basile Starynkevitch
CEA, LIST - LSL

-

- **Basile Starynkevitch**
  basile.starynkevitch@cea.fr

- **CEA: French public applied research org** **(16000 persons, 4.4billion €)**

  - **CEA LIST institute** **(<1000p)** **carries out research on digital systems**

  - **B.Starynkevitch** **(in LSL, about 25p), working on compilers &** **static analysis, see** **gcc-melt.org**

Expertise

- **Offer** (if you want to join a consortium):

Compilation (with *GCC*, for C, C++, Go, Ada, Fortran, …..) & static source code analysis

using my `gcc-melt.org` free software tool & know-how

(dream : compiling & analysing, for the cloud, on the cloud, a bunch of many -hundreds- softwares from C/C++/Go... source code)

- **Identified call(s):**
  - **ICT 3.4 / ICT10 Software Technology (extraction of application knowledge)**
  - **ICT 6 Cloud Computing**
