| Short profile of the Organisation: Faculty of Economics, University of Tirana is founded in 1957 and is organized in six departments: Department of Accounting, Economics, Finance, Management, Marketing and Statistics and Information System. This Faculty offers diplomas in Bachelor degree, Master degree and Phd Level. It has more than 6.000 students currently enrolled in all these study levels. More than 150 full time professors and 100 part time professors are part of this Faculty. Department of Accounting, has been recently involved in several projects and has also applied to different open call projects. This Department, can offer its expertise through the engagement of its professors but also its master level and PhD students. The Department is interested in offering its students and the overall community in Albania the best quality education services, therefore it is of primary importance to be engaged in science for society projects. It has been part of the recent project of the World Bank: "Enhancing Quality of Financial Reporting", under which it has collaborated with other Universities in Albania and with the Albanian Professional Accountancy bodies. |

Date: 24.12.2018.

The offer is valid until: 01.07.2019
