Data management

Providing large amount of data of interactions between scientists/engineers and young people online.

Liason with different agents: media, scientists, engineers, universities, NGOs, private companies, industry, public and private funding bodies...

Role in the project:

- Research Dissemination Other
 Training Technology Development

Project idea:

Project description:

Already experience as a Coordinator: yes no

As a Partner: yes no

If “yes”, which project:

Other partners in consortium already identified (with countries):

2) TARGET COORDINATOR / PARTNER SOUGHT

Organisation details:

Higher education / university

Industry / SME

Research institution

Other

NGO

Please specify: Limited company

Education

We are looking for following Expertise / Competencies:

3) CONTACT DETAILS

Contact Person:

Name: Ángela Monasor Pacual

Ms Mr

Organisation: Kialo Comunicación y Divulgación Innovadora SL

Address: C/ León, 4

Postal code: 49690

City: San Cristóbal de Entreviñas

Country: Spain

Phone: +34 626 888 968

Email: hola@kialodivulga.es

Organisation web address: kialodivulga.es; somoscientificos.es

Short profile of the Organisation: Kialo is a young Spanish company created to offer innovative ways to communicate science. We specialise on interactive online science education activities, but we also organise, implement & evaluate hands-on workshops, and produce a variety of materials to communicate science: short film documentaries, radio podcasts, articles, press releases... We manage science related social media, and deliver science communication training seminars for teachers and other fellow professionals.
