Role in the project:	
<input checked="" type="checkbox"/> Research	<input checked="" type="checkbox"/> Dissemination
<input type="checkbox"/> Training	<input type="checkbox"/> Technology Development
<input checked="" type="checkbox"/> Other	
Project idea: Establishing local partnerships between schools, science centers/museums, stakeholders from economy, researchers, and civil society actors	
Project description: We are planning an pilot project, based an "Impulse lab on hands-on science activities" that aims at transforming formal and non-formal science education through establishing an innovative physical place for mutual learning, training, exchange and networking for multipliers from formal and informal science education. Based in Elbasan, Albania, it will offer open and structured learning, both experience-based and theoretical, as well as opportunities for exchange between research and practise and the networking of stakeholders. It will be a venue, where school teachers, students of pedagogy, educators in adult education, science centers and museums, as well as researchers from social sciences, business stakeholders and others can both improve their theoretical understandin and practise of science education, network and exchange with others, and also contribute with their own expertise. Thus we aim to contribute to promote innovative formats and methods in both formal and informal science learning, and upscale quality-based state-of-the-art science learning.	
Already experience as a Coordinator: <input type="checkbox"/> yes <input type="checkbox"/> no	
As a Partner: <input type="checkbox"/> yes <input type="checkbox"/> no	
If "yes", which project:	
Other partners in consortium already identified (with countries):	

2) TARGET COORDINATOR / PARTNER SOUGHT	
Organisation details:	
<input checked="" type="checkbox"/> Higher education / university	<input type="checkbox"/> Industry / SME
<input type="checkbox"/> Research institution	<input checked="" type="checkbox"/> Other
<input type="checkbox"/> NGO	Please specify:
<input checked="" type="checkbox"/> Education	
We are looking for following Expertise / Competencies: profound experience in formal and/or informal science education sector (school, university, science center, museum, adult education, etc.), topics: innovation in science education, research on education and learning, teacher/educator training, networking among stakeholders on national and international level,
